

2025 Sprouting Healthy Communities Day

OVERVIEW

On Saturday, September 6, the Sprouts Healthy Communities Foundation will award \$3.3 million to more than 550 local nonprofit organizations and schools focused on nutrition education, nutrition access, and health and wellness programs.

Sprouts Team Members in all 460 Sprouts locations nationwide presented checks to local organizations in a coordinated same-day event. View the image library [here](#).

The donations presented in store are part of the Sprouts Healthy Communities Foundation's annual grants program. Grants are funded in part by donations collected from customers during the checkout process, where guests are given the opportunity to round up their purchase to support local children's nutrition education programs.
